

11 QUESTIONS TO ASK ANY EVENT VENUE

Send these to every venue on your list. Compare the answers, not the brochures.

EACH CARD ask this / why it matters / how Puttery answers

1 What exactly is reserved for my group, and for how long?

WHY IT MATTERS

"Reserved" can mean a room or a table.

PUTTERY

With a planner: a space you chose, for two to three hours, named in the agreement.

2 Is it private or semi-private, and what does semi-private mean here?

WHY IT MATTERS

It's the most misread word in events.

PUTTERY

Semi-private is yours alone, marked off and signed. People may walk by. Private means four walls and a door.

3 When does the activity happen, and is that time held for us?

WHY IT MATTERS

An activity you wait an hour for isn't one.

PUTTERY

Tee times are held for your group, four guests every five minutes.

4 How much of the activity is included, and is any of it closed for another event?

WHY IT MATTERS

"Unlimited" often has an asterisk.

PUTTERY

One round is included. Unlimited is an upgrade where available. We'll name the courses.

5 How is the food portioned?

WHY IT MATTERS

This is where events run short.

PUTTERY

Per guest. Tell us about your group and we'll size it.

6 What's actually in each bar tier?

WHY IT MATTERS

"House" is not a standard.

PUTTERY

We'll send the brand list.

7 What's the all-in total?

WHY IT MATTERS

Per-person prices hide the number finance sees.

PUTTERY

You see the total before you sign.

8 Is there an offer running, and can I use it on this booking?

WHY IT MATTERS

Deals often depend on how you book.

PUTTERY

Every offer we run is applied by a planner. Tell us your date and we'll tell you what applies.

9 When does my headcount lock?

WHY IT MATTERS

Friends flake. So do coworkers.

PUTTERY

When final details are due. Your agreement has the date.

10 Who's my contact before the event, and who runs it on the night?

WHY IT MATTERS

They are usually different people.

PUTTERY

Your planner builds it and briefs the venue team. Your event server and the manager on duty run the night.

11 What will parking or transit cost my guests?

WHY IT MATTERS

Nobody asks until the expense reports come in.

PUTTERY

It varies by city. Every location page on puttery.com lists parking and transit.
